The nutrition information on this menu is derived from testing conducted in accredited laboratories, published resources, or from information provided from suppliers. The nutrition information is based on standard product formulations and serving sizes as presented. All nutrition information is rounded to meet current U.S. FDA NLEA guidelines. Variation in serving sizes, preparation techniques, product testing and sources of supply, as well as regional and seasonal differences may affect the nutrition values for each product. In addition, product formulations change periodically. You should expect some variation in the nutrient content of the products purchased in our restaurants. Beverage sizes may vary in your market.
